

*Your Income is your Greatest Asset . . .*  
*Insure it . . .* **FOR LIFE**

You cannot say definitely that you and your family will continue to enjoy your income for life. You will, of course, if you are able to stay on the job. But you cannot be sure of this. Accidents and sickness strike quickly . . . without warning.

Then what? That question you can best answer now . . . while you are still able to be on the job. You can select a Continental plan of income protection . . . a plan which will pay you an income for life if you are totally disabled and need it.
